

SINERGY 2021

Welcome to Diesel Living

We believe quality of life is made of passion, experience and feelings. This is what we are inspired by when we design of our objects, using our signature creative and unexpected approach to design, our collection reflects every aspect of the diesel lifestyle and values.

Rough materials, contrasting shapes and textural treatments, our heritage and expertise, mixed with research on contemporary industrial and vintage shapes all of it nestled in the same brave spirit that allows us to lead denim innovation.

Crediamo che la qualità della vita sia determinata dalla passione, dall'esperienza e dai sentimenti. È a questo principio che ci ispiriamo quando progettiamo i nostri prodotti: grazie al nostro approccio creativo e innovativo, le nostre collezioni riflettono appieno i valori e gli aspetti dello stile di vita caratterizzato dal marchio Diesel.

Materiali grezzi, forme contrastanti e particolari trattamenti dei tessuti, la nostra eredità e la nostra esperienza, combinate con una costante ricerca di forme industriali contemporanee e vintage: tutto viene sapientemente mescolato all'insegna dello spirito coraggioso tipico del marchio, permettendoci di essere i fautori di una costante innovazione nel campo del denim
