Internal use only

The images and the colours of the products in this file are purely for information. The products shown do not have only one standard cover. Depending on the model, products can be covered both in fabric and/or leather as from the official Versace Home collection. All the dimensions included in technical descriptions are in cm (inch.), approximate and subject to possible changes (tolerance of +/- 2%). Due to natural variations of the colorant dyes during the bathing and drying process of the leathers, some slight differences in shade may occur on the final product. Any eventual difference in colour that can be noticed between different panels that are joined together to create the same product, must be considered acceptable. As a result of technical/production updates, the company reserves the right to change the product information shown on this file anytime and without advance notice.
