SERIES 280

Uniting of opposites in the most beautiful way: The rounded body of Series' 280 mixer tapes tapers to an elegant, flattened bow with angles and edges. And the flat spout? Produces an exceptionally beautiful spray. Designed by Schmiedem Design.

SERIE 280 MATT BLACK

Mixer taps shaped to perfection – designed by Schmiedem Design - in a particularly elegant version: The fine finish in matt jet black gives the 280 series a strikingly cool look. Flowing lines gently balance the design idiom.
